

# •• SUSTAINABILITY AWARD AWARD ENTRY FORM ••

## THE 1<sup>ST</sup> ANNUAL PARKING TODAY AWARDS

Parking Today Media is pleased to announce the first annual Parking Today Awards program to recognize outstanding achievements in the parking industry. This program provides an opportunity to promote our industry and the impressive work of our community members.

### SUSTAINABILITY AWARD

*Recognizes a sustainable project, product, design, new construction, or restoration*

This category recognizes the best entry that provides a superior product or service that meets customers' expectations while improving/reducing its environmental impact.

#### The Entry Pack should include:

- A technical description of the entry
- Whole life costings of the entry
- A full explanation of how the entry has achieved an environmental benefit, either over the system that it has replaced, or by comparison with an alternative for a new installation
- If appropriate an explanation of how the entry will have a smaller environmental impact at end of life, e.g. by being more recyclable/reducing non-recyclable content.

#### Please supply:

1. Descriptions, diagrams, technical specifications
2. Data showing that the claimed benefit has been achieved.  
Note: Marketing claims are not acceptable.
3. Where the benefit will be achieved at end of life, by increased recyclability and/or reduced non-recyclable residues; provide calculations to support the claim.

#### Important Dates:

- **DEADLINE - January 11, 2019**
- Award presented during Parking Industry Expo 2019
- Awards Luncheon - Tuesday, March 12, 2019
